RELEVANT EXPERIENCE

UX Designer / and.d

Mar 2022 – Present Remote

- Create new designs for Shopify apps with 2400+ installs, including a shipping date picker, multi-address shipping, loyalty programs.
- Launched a food delivery web app used by seniors (aged 75+).
- Keep apps updated to meet the latest user needs by working with the customer service department.
- Align on the best experiences within the Shopify framework by working with PMs and developers.

UX Designer / 1 Thing Against Racism

Nov 2021 – Mar 2022 Remote

- Collaborated with designers and developers to design and launch the first website.
- Created wireframes to organize and simplify the website layout.
- Selected color palette, font, and images to develop the website branding.

OTHER EXPERIENCE

Childcare Provider / Yamashita Family Child Care

Oct 2019 – Dec 2022 San Jose, CA

- Solved problems by empathizing with the children—what they want or need and their action rationale.
- Tailored how I communicate with each child depending on their vocal level and understanding skills.

Tour Operator / Windows to Japan

May 2017 – Nov 2018 Kyoto, Japan

- Crafted tour itineraries for inbound tourists with a bilingual team daily.
- Researched destinations to meet the customers' needs and provide exceptional experiences.
- Communicated options and plans to stakeholders and made travel arrangements accordingly.
